"Picture Postcard" Issue

Floyd

Kapolei, Hawaii

MAY 2002

This photo came in during our Falcon Photo Contest. It's a great shot and it probably has an interesting story behind it, but the entry was a little short on information. There was a label with "Floyd" and a return address in Hawaii. So — thanks, Floyd.

Floyd's photo was the inspiration for this "Picture Postcard" issue. These Falcon owners all went the extra mile to get great shots of their Falcons in colorful and complimentary settings.

Sit back and enjoy, this issue will be easy on the eyes.

President's Message

Wow, the car show season is upon us. We have already had two great Regional Meets, one in the Sunshine State of Florida, hosted by the Sun Coast chapter, and the other in sunny California, hosted by the central California Chapter. Thank you all, for a job well done! Don't forget to put the Mid America Regional on your plans for this month.

In addition to gathering up your cleaning supplies for the car shows and your extra parts for the swap meet, don't forget to take your Falcon Supplies. You know, the "Did you know there was a Falcon Club" cards, extra copies of the Falcon News, National applications and registration forms for the National Meet. If you need Falcon supplies, please contact Ruby. Let's get those pretty Falcons out where everyone can see them and let car lovers everywhere know all about our great club.

The biggest car show for us Falcon lovers, the annual Falcon Nationals, is closer than you think — July 25-27. If you have not done so already, send in your registration and make your hotel reservations NOW. With the Music City Chapter hosting, this promises to be one of the greatest Nationals ever. Remember, the National Meet is more than just a car show; it is like a large family reunion and everyone in the FCA family is welcome.

ATTENTION

We still need a Route Captain for the trip down I-65 from the North. If you can help out by serving as Route Captain, please call Dale at 615-883-1446 or dnddeli@comcast.net.

There are 3500+ members in the Falcon Club of America and, by my count from the new directory, over 6000 Falcons. Yet we only have 160 registered so far for the ONLY Meet of the FCA. This represents barely 5% of the membership! Don't miss this great opportunity to share your car and your family with the entire Falcon flock. There are classes for any car, any condition, any year, as long as it is a Falcon.

The National Meet will be as good as we make it together. With your help, (read: participation) it will be a MEET OF MEMORIES.

– Dale Holland

"Picture Postcard" Falcon Fotos

Shirley and Tony Cassio of Arvada, Colorado bought their 1964 Falcon convertible 21 years ago. It only had 39,000 miles on it, but had been through a hail storm and looked bad. The photo was taken at Chatfield Dam where the balloon took off as the photo was snapped.

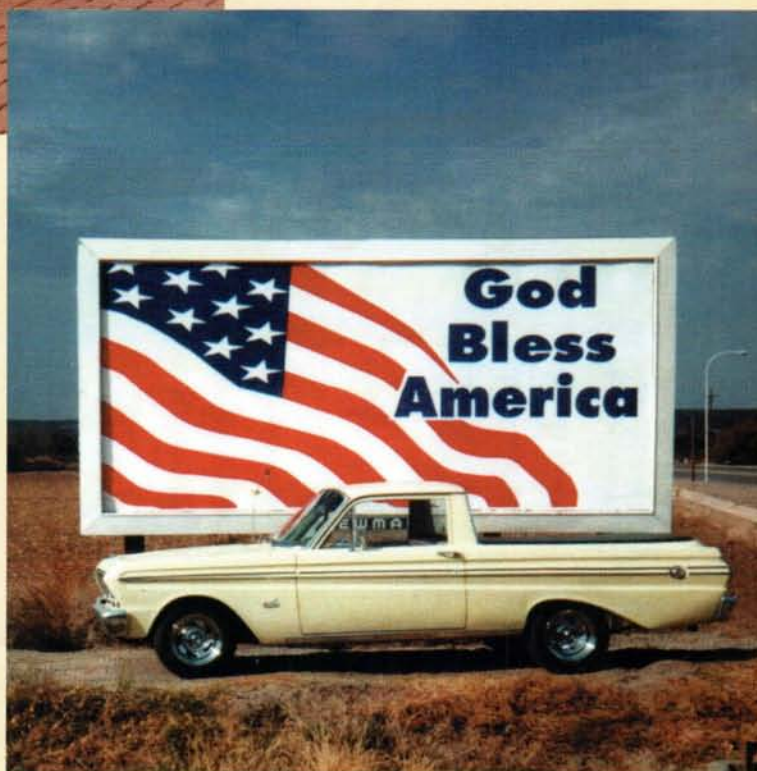

Stan Racker of Roy, Utah has owned this 1963½ Sprint convertible for 10 years; he spent 5 years restoring it to show-winning condition. Other than the wheels, larger tires and minor engine modifications, he has kept it painstakingly original. He has won many awards in the Salt Lake City area where he lives. The photo was taken on Antelope Island in the Great Salt Lake.

American "Picture Postcard" Falcons

Pat Johnson of Ada, Michigan has had this 1964 Sprint convertible since he was 12 years old. His Uncle Willie bought it new in 1964. It was a daily driver until 1972 when it sat preserved for 4 years. It has been restored and repainted the correct Dynasty Green. Pat says he and the Sprint will be attending the National Meet in Nashville this summer.

Raymond Trigg of Las Cruces, New Mexico positioned his Ranchero for a great shot in the countryside with this post-September 11 billboard.

"Picture Postcard Falcons"

Steven and Janet Hobart of Stockton, California bought this Ranchero from the original owner in 1996. They blasted it and painted it the original Dynasty Green/Wimbledon White two tone. They get lots of "thumbs-up" from young and old. The photo was taken along Hwy 1 on a poker run in Monterrey.

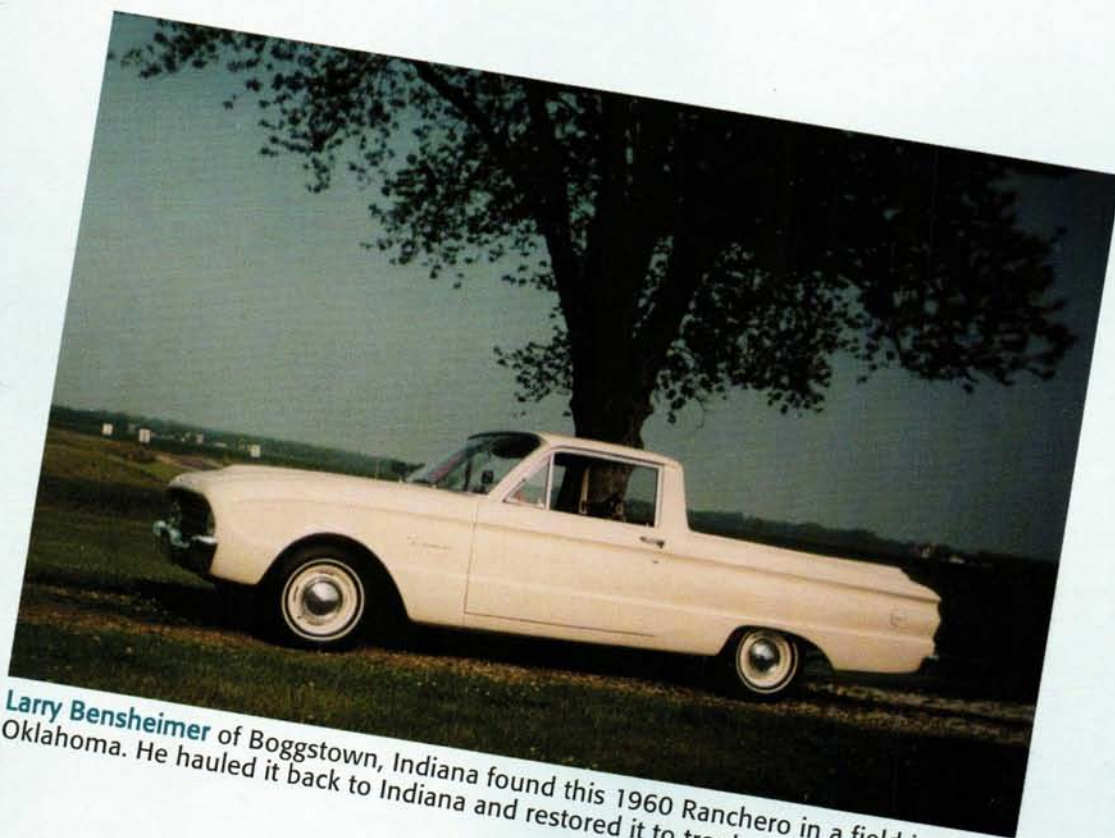

Ron Smith of Hutchinson, Minnesota has two identical 1967 Falcons, this one and a gold one that his dad bought new and had always been in the family. Parts seem to be hard to come by for these models so this was to be a parts car, but he decided it was too good to scrap. Although owning two identical Falcons wasn't in their plans, the cars are in good condition and will be kept and used as cars for the kids.

"Picture Postcard Falcons"

Jim and Ann Norman of Ontario, Canada spotted these elephants in Canaan, Connecticut on the way to last year's National Meet.

Larry Bensheimer of Boggstown, Indiana found this 1960 Ranchero in a field in Tulsa, Oklahoma. He hauled it back to Indiana and restored it to trophy-winning condition.

"Picture Postcard" Falcon Fotos

Wayne Kostelny of Mt. Prospect, Illinois bought this 1966 Falcon from his aunt in 1973. She was the original owner. It was a daily driver with 161,000 miles until 1990. Wayne writes, "Sorry to say, it is now a "deceased victim of rust, but served me very well."

Marc Henchuz lives in Geneva, Switzerland. His 1962 Futura was imported the same year. The car has 82,000 miles. Marc attends American car show meetings in Switzerland and Europe and has only seen approximately 20 Falcons in Europe. His car is in good original condition. He has been an FCA member since 1997.

WHY A FALCON CLUB?

FCA was formed to band together owners of the Falcon automobile to provide an exchange of ideas, technical information, amusing reminiscences and the availability of parts (often at a substantial discount). Lasting friendships are formed through local get-togethers and at the Club's National Meet each year.

WHAT MEMBERSHIP MEANS

Whether your Falcon serves as everyday transportation, a relaxing plaything, or both, you'll find valuable help in your preservation and restoration as well as interesting facts and information from the Club and many fellow Club Members.

Our Newsletter, "**THE FALCON NEWS**" is sent out each month to all the Club's Members and contains information so valuable you will want to file it away for future reference.

WHO BELONGS?

FCA has people of all ages — from retired folks to teenagers still in school. Among our members are men and women of all professions; individuals who could certainly afford more costly or newer cars if they chose.

PREMIUM PACKET

Every new member receives a New Member Packet upon payment of dues. This includes a personal membership card, Falcon Club cards to pass out to others who might be interested in the Club, and a copy of the latest Newsletter.
